

Please Be Mindful / Did You Know?

Contact Information – Thank you to everyone who has already turned in their contact information.

This year we had a couple times when it was necessary to shut off the water to various streets in town due to water line breaks, repairs, etc. We realized that we don't have current phone numbers or email address for a lot of our residents. This makes contacting everyone very difficult, time consuming, and inefficient.

Please fill out the attached form and return it to the town either by email: townofdavidson@sasktel.net, mail: Box 340 Davidson, SK, drop it off: at either at the Town Office or in the Black Drop Box in the front of the office, or you can call into the office with your information.

Davidson Emergency Management Form - Our EMO Coordinator has asked us to send this form out to all of our residents to update the Emergency Measures Organization Binder. Please return this to our office if you are interested in helping during an emergency.

Recycle Charges – Due to the increase from Loraas Recycling for 2022, our recycling charges will be going up to \$9.00/month (\$27/quarterly billing), from \$8/month.

Dog License – According to our Town Bylaw No. 751 Schedule A, all dogs must be licensed annually. Come on in and get your dog licensed and a brand new 2022 dog tag. This helps us to recognize your puppy and to contact you if it accidentally gets away from you. Help us get your beloved pet home safely to you!

Sidewalks & Fire Hydrants – Please keep your sidewalks & fire hydrants cleared of snow. Your help is greatly appreciated. Please be mindful of where you push your snow!!

Business Licenses – Charges will resume this year. If you have a business you operate out of your residence, you will need to fill out a business license form. You can get the form off of our website, or pick one up at our office. If you contact our office we can also email one out to you.

****Reminder****

Winter is here. When there is a large snowfall, please move vehicles off the street prior to 7:00 am so that our Public Works can move the snow more efficiently & in a timely matter.

Please take
recycle
bins off the
street by
Monday Night
